Horse Rider Guilty

It isn't always necessary to have 60 horsepower under the hood to drive in a reckless manner. A Boulder man had only a one horsepower vehicle under him when he drew such a charge. Riding a horse, he was accused of behaving so recklessly that two girls, walking in the road, were injured.

Ohioe Elephant

Dr. William W. Christley, Corydon, Ind., dentist, found a tiny china elephant in the debris of the 1937 Ohio river flood. He kept it. Since then, he has collected more than 700 toy elephants, big and little, in every kind of material from ivory to sponge. He keeps them in his office.

ALBERT H. BOYNTON — — — — — — Editor and Publisher

By BETTY BARCLAY

California out-door enthusiasts are repeatedly making use of buffet service. Popular for patio or dining room, it enables a hostess to quickly provide healthful foods for a hungry group home from a swim, a ride through orange and lemon groves or through mountainous scenery.

Though the outdoor sports in your neighborhood may not coincide with these forms of recreation, you can still grasp a bit of the fun of Western living by serving an easy-to-prepare California buffet. The pictured menu presents vitamins galore in three appetising, tangy salads.

Try this new way to a balanced diet through salads! This buffet service includes Avocado half shells filled with olives and accompanied by a lemon garnish, Tuna salad in French roll cases with lemon garnish, and a Lemon Gelatin Dessert salad.

The lemon and lemon juice used provide many protective food essentials — they are the only known source of vitamin P, or citrin, are an excellent source of vitamin C, and a good source of vitamin B_1.

To prepare the TUNA SALAD IN FRENCH ROLL CASES, you need:

1 hard-cooked egg
1 7-ounce can tuna
1 cup chopped celery
Lemon Mayonnaise

Combine ingredients with mayonnaise to blend well. Serve in 4 French rolls, which have been hollowed out to make cases. Note: Spread inside of cases with garlic butter, if desired. Garlic Butter: Soften ½ cup butter. Add 1 clove garlic. Let stand 15 minutes. Remove garlic. Spread this softened seasoned butter inside the hollowed rolls. Top filled cases with lemon garnish.

Lemon Mayonnaise

1 egg
¼ cup lemon juice
1 teaspoon mustard
1 teaspoon salt
1 tablespoon sugar
Dash of pepper or paprika
1 pint salad oil

Combine egg, lemon juice and seasonings. Beat oil in slowly, using whirl-type beater. Continue beating until dressing is thick. Makes about 2½ cups.

Lemon Gelatin Dessert Salad

2 tablespoons (2 envelopes) gelatin
¼ cup cold water
1¾ cups boiling water
½ cup lemon juice
¾ cup sugar
Few grains salt
1½ cups seedless grapes
1½ cups berries

Soak gelatin in cold water 5 minutes. Add boiling water, lemon juice, sugar and salt. Pour a layer of gelatin into a loaf pan, 9 inches long by 5 inches wide. When slightly thickened, put grapes into gelatin. When remaining gelatin is beginning to thicken, add berries and pour over grape layer. Chill until firm. When ready to serve, unmold and garnish with clusters of grapes, berries and leaves. Serves 8.

Avocado Half Shells

To serve 4, choose 2 ripe avocados. Make a deep lengthwise cut to the seed, entirely encircling the fruit. Separate halves by firmly holding fruit between palms of hands and then revolving hands in opposite directions. This loosens seed and its enveloping membrane, so that both are easily removed from fruit. Fill center of each avocado half with green olives and on each plate serve an accompanying lemon quarter which will provide tempting tart juice for added flavor.

Bethel No. 68 Plans Huge Whist

Honored Queen Shirley Yates, Daly City Bethel No. 68, Order of Job's Daughters, today announced that plans were nearly complete for a huge public whist, to be held Wednesday, November 12. The card playing is to be held at 8 p. m. in Masonic hall.

Committee chairmen for the huge event include Miss Anne Cameron, chairman of refreshments; Miss Alice Jorgensen, chairman of tickets; Miss Irene Johnston, chairman of prizes.

According to the girls, lots of prizes have been procured for the affair, and a cash first award and a door prize will be given.

All proceeds from the card party will be used to replenish the bethel's treasury. The game is to take place instead of the group's regular meeting.

At the close of the games, refreshments will be served for a nominal charge.

The public is cordially invited to attend.

Cats Color-Blind

Being color-blind, cats live in a world of somber grayness.

Unhappy Landing

Elden Carter, Boise, Idaho, private pilot without a federal license, picked the wrong place to land. He crashed directly in front of the civil aeronautics authority office at the Boise airport when his motor failed. He escaped with slight injuries but his plane was confiscated.

Oranges in Europe

Oranges were first brought into Europe from China by the Portuguese in 1547.

House of Cotton

The Farm Security administration is conducting experiments in the use of cotton as a building fabric. A house has been erected in Coffee, Ala., with roof and walls covered with cotton duck. The material is nailed to a smooth backing of plywood, plaster or composition board. It is painted with a mixture of white lead and linseed oil. The cost of such a house, including modern plumbing and electric wiring, is only about $1,350.

Lazy Daisy Luxuries

— By Frances Lee Barton —

SOMEHOW or other, when an expert discovers a particularly pleasing combination of foods, she drifts away from the more common names and calls it a "whip," a "sponge," an "upside down cake," or perhaps a "lazy daisy" cake or salad. Here is a cake that is surely entitled to at least the "daisy" part of its name — for that's exactly what it is.

Lazy Daisy Cake

2½ cups sifted cake flour; 2½ teaspoons double-acting baking powder; 1 teaspoon salt; 1 cup milk; 4 tablespoons butter or other shortening; ½ teaspoon grated lemon rind; 2 teaspoons lemon juice; 4 eggs; 1½ cups granulated sugar; ¾ cup light brown sugar, firmly packed; 4 tablespoons cream; 4 tablespoons melted butter; 1 can moist, sweetened coconut.

Sift flour once, measure, add baking powder and salt, and sift together three times. Heat milk, butter, and lemon rind over low flame until butter is melted (do not scald). Remove from fire and cool slightly. Add lemon juice to eggs and beat until thick and lemon-colored; add sugar gradually, and beat until light and fluffy. Add flour, alternately with warm milk mixture, mixing quickly but thoroughly. Bake in greased pan, 10 x 10 x 2 inches, in moderate oven (350° F.) 35 minutes, or until done. Then spread mixture of brown sugar, cream, melted butter, and coconut over top of cake. Bake 15 to 15 minutes longer, or until brown sugar mixture caramelizes.

U. S. Canals

There are about 2,100 miles of canals in the United States.

Garden of Roses

A rose census by Park Superintendent William Nicholas of the 20,000 rose bushes surrounding the Rose Bowl at Pasadena, Calif., revealed that there are 87 kinds of roses represented.

President Arrested

Ulysses S. Grant was the only President ever arrested during his term of office. He loved fast horses, always had several in the White House stables, and had taken the highest mark for horsemanship in his class at West Point. His record in the high jumps has never been equaled. One day he was driving a spirited team in Washington, exceeded the speed limit, and was arrested by a colored policeman. The President put up a deposit of $20, but never appeared at the police court, and commended the colored policeman for doing his duty.

House Work

Since the invasion of Holland and Belgium, members of the senate committee handling army and navy affairs have taken to holding off-the-record evening meetings in each other's homes to brush up on the facts about Uncle Sam's defenses, with high United States military experts invited in as "teachers." The speed with which the senate has acted on national defense measures is taken as evidence that the senators are apt pupils and learn fast.

Oldest Going Concern

A World's fair has been held annually at Leipzig without interruption for over 700 years, breaking all records for business longevity. The map of Europe has been repeatedly redrawn, dynasties have risen and fallen, but the fair has remained the one thing permanent. The fair attracts business men today from 74 countries. American participation dates back for a century. The fair includes the newest art and industrial products from 32 of the leading industrial countries.

An Old Custom

The customs of women dyeing their hair and tinting their fingernails date back some 4,000 years in Egypt, as is evidenced by pictures in ancient monuments and by mummies.

Most Spanish Spot

The most Spanish spot under the American flag is the romantic city of Ponce, on the southern coast of the United States territory of Puerto Rico. Although Ponce was the first city to be entered by the Americans who took Puerto Rico in 1898, it has been the last to give up the Latin heritage it derived from its Conquistadores. English is spoken widely in Puerto Rico, but Spanish is the prevailing language in this stronghold of old Castille.

Long Ticket

Prof. Grosvenor Robinson of Bates college has begun an 8,000-mile bus tour of the United States. It took an entire afternoon to make out the 15-foot long bus ticket that will take him on his vacation, a substitute for a European tour.

WARNING!

Don't take chances where there is so much danger and money involved. Come in today for a complete check-up and make sure of a worry-free winter of driving. The cost is surprisingly low and the job we do is guaranteed right.
